## Laurel Lock Rocks

If you didn't see last week's *Chatter*, regarding the numbering of campsites, the newsletter can be found on line on our website. The short story is that each site needs to be numbered per the Montville fire marshall. There are 3 scenarios for getting this task completed. If your site does not currently have a rock, we can 1) provide one for you to paint yourself, 2) give you a rock with the number painted on it, or 3) If you have a rock but the number does not stand out, we can paint the rock for you but you need to let us know. Sign up in the office to have us bring you a rock to paint or bring you a painted number rock.

## Campsite Crawl

The campsite crawl on August 24 and we are looking for 2 more sites to sign up for hosting. We would love to see some new hosts come forward. Our "Music Genre" theme was selected to make hosting easy. Play music to match your selected genre, provide a libation and maybe a light bite to eat. Easy peasy.

## LLC Golf Outing Results

A large group of 26 competed in last Saturday's golf scramble at Chantclair. Jarrod Goss won longest drive. The foursome of Jarrod Goss, Jimmy Jordan, Jack Korduner and Joe Palmieri won lowest group scoring 5 under par. Congratulations guys.

## Trailer For Sale On Site

The park-model RV on the Sandbox site is for sale. This 33' x 12' log cabin-style RV is in very good condition and has an all-wood interior and exterior and comes with many extras including a deck, hard awning and shed. For more information, check out our bulletin board at the store.

## Large Gatherings

It helps our staff immensely when campers provide a list of names for large groups of guests arriving on the same day.

## A Forgotten Thank You

This writer had forgotten to thank Amie and Rob Powell for being dealers for the last poker run. So thank you Amie and Rob.

## Access To Boat Field

Cars should access the boat field by the large oak stump located before the barn (if you are exiting the camp.) Golf carts should use the stone path located to the right of the dump station and follow that down the tree line (first base line) to the boat trailer area.

## Last Weekend For 2025 Deposits

Non-refundable \$500 deposits for the 2025 season are due in our office by July 31. Please provide separate checks for this payment as it is set aside in a separate account. Any site not providing a deposit by the 31<sup>st</sup> will be opened up for consideration by new campers coming into camp in 2025.

## Saturday Cornhole Noise

Thank you Saturday night cornholers for reducing the noise level. It's great to see so many people enjoying this weekly gathering. We have installed lights at the basketball court which remains as another option.
