## Friendsgiving?

The camp office would like to know if campers would like to have the Friendsgiving event we've had in the past few years on October 5. Please sign up on the bulletin board if you would like to attend.

## Electric Bills

Electric bills for July are in the office beginning Friday evening. Please stop by to pick up your invoice if you haven't already done so. Invoices not picked up will be mailed to campers on Monday.

## Book Club

Thirteen campers attended the monthly book club meeting last Sunday morning in the adult rec hall. Reviews were mixed as to the last book read, *The Orphanage By The Lake*. After taking a vote and drawing, the next book selected is *The Death of Us* by Lori Rater-Day. The book club will meet again on Sunday, September 8. Many thanks to Ellie Powell and Elyse Kilbourn for organizing this monthly gathering.

## Sip And Paint

The Sip and Paint classes have been a big success with each class filling to capacity and lots of beautifully painted items coming out of the rec hall at the end of the 2-hour class and lots of laughs happening throughout. Many thanks to Melanie Langford for organizing the events, gathering all the supplies needed and leading the classes.

## Happy 80<sup>th</sup> Birthday Norm!!!

## Trailer For Sale On Site

The park-model RV on the Sandbox site is for sale. This 33' x 12' log cabin-style RV is in very good condition and has an all-wood interior and exterior and comes with many extras including a deck, hard awning and shed. For more information, check out our bulletin board at the store.

## What's In Store

Our camp store has stocked up on new denim shirts. These 100% cotton shirts make a great gift for the Laurel Lock faithful as you can wear them as a light-weight jacket or as a shirt on it's own. We have sizes small to 2XL.

## Laurel Lock Activities

Laurel Lock offers a number of activities that rarely get used by our campers. We have pickleball at the basketball court, a volleyball net set up at Safari Square and shuffleboard courts that are mostly used for cornhole. We also have a dart board in the rec hall (adults only or teens or tweens supervised by a parent.) If you don't know where the supplies are kept for any of these activities, please inquire in the office.

## Weed Transfer Into Lake

If you take your boat out of the lake and put in another body of water, please always remember to wash the boat thoroughly or have it sit out of water for a week before launching back into our beautiful Gardner Lake. Invasive weeds are a problem to eradicate after they are transferred into the lake. Please help keep our best resource clean and free from weeds.
