Food Deliveries To Camp

LLC requires campers who order food from restaurants to meet the delivery person at the camp store. Tell the person taking your order they must meet you at the stop sign and call you before they arrive.

Party Planning

A group of campers suggested a Christmas in July weekend on July 22-24. Part of the festivities will be campers decorate their sites and campers voting on the 3 best – PRIZES! Those who want to participate should start thinking ahead. More information will follow as the committee decides the details. Anyone who wants to volunteer should come to the June 12 meeting or contact Kelly Lisee at site #50.

Secondly, another camper suggested the Campsite Crawl scheduled for August 27 be a musical Broadway show or musical movie theme. We'll have sign ups in the beginning of August. Hamilton is already taken.

Take Unwanted Items Home

If you have unwanted items around your site you have 2 choices for ridding yourself of them. Keep items at your site and place a for sale or free sign on our bulletin board (slips available in office) or take them home with you. We do not want an accumulation of items littering up the trash/recycling area after the 30-yard dumpster is gone in May.

Farm-Fresh Eggs

Sister Crystal has 12 chickens laying 8 eggs a day and has offered to share her hen's eggs with our campers. We are stocking her fresh eggs in our store and they can be purchased for \$4/doz.

Parking

Admittedly Laurel Lock is lacking in parking spots on our property. There are a few rules of thumb when parking your car. **Park only at your site or in designated parking lots on the camp property.** Don't drive to or park cars at the lake front. You can short-term park only if you are dropping off a handicap or elderly person or boating gear. Please never park in or in front of a site that is unoccupied. Lastly, only golf carts are to park at the gazebo and floating docks. Thank you for your cooperation.

F Bombs

There are far too many of F-bombs flying around the campground lately. While many of us are guilty of bad language once in a while, let's remember Laurel Lock is a family campground. Let's keep it clean – please.

Please Don't Ask

Our rules have been thought out and set up for many reasons. Some are safety concerns and some are just to keep the campground a nice place to be. Please don't ask management to bend the rules for you. We support our policies and others don't like it when rules are bent for one person and not another.

Numbers On Golf Carts

By June 18 all campers must have their appropriate site numbers on their golf carts. If you don't already have numbers, please attach 4-inch numbers front and back or left and right.
