## Unfinished Business

Our office still has some camper’s paperwork that has not been completed. If you owe us proof of golf cart insurance or rabies for your dog, or you just haven’t stopped to get your free gift, please make it a point to get this taken care of this weekend.

All paperwork must be completed by June 15.

## Lost And Found

Our lost and found rack located in the rec hall is already full to the brim with floats and various other items left at the beach. If you left items at the beach, restroom or any other common area of the camp, this is where they end up. Please come and check it out if you’re missing something.

## Books, Games and DVDs

Our rec hall has shelves of books, games and DVDs to borrow. No need to check them out or even return them if you become attached to anything.

At this time, we are not taking additional donations of these items.

**Gardner Lake  
Water Temperature  
71°**

## Garden Plots

Our community garden still has several unclaimed plots available. If you are interested in becoming a gardener of a small plot, please contact the office.

## Trailer For Sale On Site

The park-model RV on the Sandbox site is for sale. This 33’ x 12’ log cabin-style RV is in very good condition and has all-wood interior and exterior and comes with many extras including a deck, hard awning and shed. For more information or to pick up a flyer, check out our bulletin board at the camp store.

## Our Rec Halls

Our rec halls are for the use of our campers and their guests. We hope you will feel free to enjoy using these rooms to gather with friends or escape nasty weather. Please treat these spaces as you would your own home and leave them as you found them. Our staff has been doing a great job of keeping these rooms clean but if you see something out of place, please let us know.

## Horseshoe Tourney Winners

The Memorial Day Horseshoe tournament winners were Jen Trent and Rob Powell. Second place was taken by Chrystal Anderson and Vinny Lacalamito.

## Geese

We have implemented multiple deterrents towards a flock of geese that have been defecating on Laurel Lock’s shoreline this week. Please scare the geese away if you see them near or on our shoreline. A coin in a metal can seems to work well for this. Also, please let the office know if there are any geese turds that we have missed.
