Electric Invoices for June

Electric invoices were mailed to any camper who didn't pick up their bill last weekend.

2023

Non-Refundable Deposits

If you have not yet paid your 2023 non-refundable deposit, please pay with a check separate from other payments to the campground. We will be accepting deposits for 2023 through this Sunday, July 31. Please let the office know if you do not intend to return to LLC next season.

Many Thanks

Laurel Lock wishes to extend a great big thank you to all the volunteers for Christmas in July last weekend. Our camper volunteer elves were **Kelly Lisee, Chrystal Anderson, Amie Powell, Denise Reindeau, Colleen McCarthy, Gary Gray, Keith Delorme, Eric Kilbourn and Tony Payette**. The event was a huge success and many hours of work and planning went into making it happen.

Winners of Golf Cart Decorating

1st place **The Koval family** of #89

2nd place **The Tom Gray family** of #101

3rd place **The Lisee family** of #50

Three honorable mentions: **The Gary Gray family** of site K; **Chris Ready & Chrystal Anderson** of site #48 and **Pam and Lou Cifone** of site #111.

Thanks to all who participated and those who brought cookies or goodies to share. It turned out to be a truly enjoyable event for all the family.

Welcome New Campers

Please help us welcome Dale and Betsy Waterbury to the yellow cottage. For those who do not know them, they are the parents of Erin Gray of K site.

Covid

While our state isn't currently one of the highly contagious states, many people are still coming down with some of the variants of Covid. We ask that you stay away from the campground for at least 5 days after testing positive for Covid.

Don't Leave Unattended

Since we haven't had any measurable rain in the past few weeks, the danger for fire is high. Please remember to never leave your fireplace unattended and extinguish all fires completely before turning in for the night.

When Leaving The Dock

When leaving the dock on your boat, regulations require you to move out at least 100 feet beyond any dock or swimming area before increasing speed beyond idle speed. Please approach the docks perpendicular to the shore as a courtesy to your fellow boaters.
