Trailer For Sale On Site

The 2018 RV on site #42 is for sale. This turnkey RV transfers with a golf cart, deck, shed, outdoor TV and many other items. Check out our bulletin board for all the details.

Our Condolences

We were very sorry to hear that Bob Underwood of site #78 passed this past week. Our deepest condolences to the Underwood family. Campers may sign sympathy cards in the office this weekend.

2024 Internet And Cable Update

We continue to do our due diligence to upgrade the campground to fiber-optic internet service. In doing so we would have capacity to provide 50 megabites upload and download per service. If we do proceed on this course, we would no longer provide free cable TV in 2024.

Changes To Events Calendar

There are some noteworthy changes to our events calendar: Halloween has been moved to September 9 and 2 new events have been added. On August 11, the Point will host Lewis and Clark and on August 12 we'll have a luau dance party on the beach. The luau dance party will be stereo music and we'll ask campers to bring finger food to share. As always, BYOB. A revised copy of the events calendar from this date on is on the back of this *Chatter*.

Poker Run

Caroline Connors won the poker run last weekend and took home \$371. The other 4 best hands were held by Sue Keenan, Barbara Koval, Giovanni Gagliardi and Missy Terrio. \$25 was won by the Terrio/Palmieri clan for the best host hand.

Blue Spruce

We can't seem to find a place for a beautiful blue spruce tree that was bestowed upon us this spring by a camper. Anyone is welcome to take this tree which is located across from the camp store. If you plan to plant it at camp, please check with the office for an appropriate location before digging.
