Christmas In July

Attached to this chatter is a flyer of next weekend's activities scheduled for Christmas in July! A sign-up sheet is on our bulletin board for parents who want to sign up their children (ages 3 – 12) to receive a small gift from Santa on July 23 at 3:30 at the camper's beach gazebo. Please take a moment to sign-up your child so we have enough gifts for all the children who attend.

Wine Bottle Wind Chimes

On July 30 we'll have a wine bottle wind chime craft for adults. If you plan to make a chime, save a wine bottle (light color looks best) and the cork or screw off top. We'll provide the other items needed for the craft and there will be a small fee. Sign up on the bulletin board for this craft.

Electric Invoices for June

Due to the July 4th holiday Bozrah Light and Power was unable to get us electric bills in a timely manner. Our electric invoices for campers will not be ready for distribution until the weekend of July 22. The meters were read on July 6, so the time of usage will be one months-time. Sorry for any inconvenience this may cause.

Kids And Bikes

Parents – In our agreement it states that kids under the age of 12 must be supervised at all times at the camper's beach. Also, bikes are not to be ridden after sunset and children are to comply with Connecticut helmet laws. Lastly, please leave no rocks of any size on the camper's beach.

Golf Cart Keys

Always be sure to turn your golf cart key into the off position when it is not being used. Pets and mischievous children have been known to move carts. Therefore, we strongly suggest you take the keys out of the ignition and keep them on your person, or in a hidden place on your cart.

Welcome New Seasonals

Retraction: Spelling was incorrect for new seasonals in #14 – It's **Rob (not Bob)** and Sallyanne Young.
