**August 11, Live Music on The Point**

**August 12, Luau Dance Party**

## Fiber Optic Internet for 2024?

Are you interested in getting, or improving, your campground internet connection for 2024? **We need each site to tell the office if they definitively do, or don't, want fiber optic wifi wired into their trailer.**

Frontier is currently offering us 50 megabits-per-second upload and download speed for ~\$56 per month, from May through October. This price is dependent on the number of sites that will be receiving Frontier's fiber optic service.

Please consider that the 50 megabits-per-second service may be strong enough to be shared with neighbors, depending on where the wifi modem is placed, your neighbor's proximity to the modem, and both party's use. Under this current plan campers who already have internet service through Frontier will be able to keep their existing service at their current price until their connection fails. Also, cable TV service will not change.

So again, please inform the office if you are interested, or not, in getting or improving your internet service for the 2024 camping season.

**Gardner Lake  
Water Temperature 76 °**

## Tips From Theresa of Road Tech RV

Maintaining your RV is the best way to ensure it lasts for many years to come. When was the last time you had your AC, water heater or furnace serviced? The roof checked for sealant cracks or holes that might let water in? How about the lubrication of any moving parts? How old are your smoke and propane detectors? Do they even work? Have these items checked soon. It's cheaper to maintain than repair! Theresa can be reached at: 860-710-8876

## Trailer For Sale On Site

Do you know anyone who would be interested in purchasing a turn key trailer at Laurel Lock? The 2018 RV on site #42 is for sale. This spacious RV transfers with a golf cart, deck, shed, outdoor TV and many other items. Check out our bulletin board for all the details.

## RV's For Sale

There are 2 other RVs listed on our bulletin board that are for sale and within the age requirements for camping at Laurel Lock. One is a 36' 2018 Gulfstream that the owner is asking \$19,000 or best offer. The other is a 30' 2018 Jayco Jayflight listed for \$12,750. This RV is currently on camp property and can be shown by the current owner.

## Doggy Business

Make sure to always pick up after your dog, wherever you are in camp. Also be considerate of where you walk your dog when you know they have to go. We have a dog walk area across the road from the baseball backstop with a pooper scooper and trash can. Please do not dispose of dog poop in bathhouse trash cans.

## Campsite Crawl

We are looking for at least one more sign-up for our August 26<sup>th</sup> campsite crawl. This year's theme is TV shows.
