...& **Denise Riendeau** for running a drum-making craft for campground children this past Saturday.

Site rocks will be evaluated over the course of this week for the Laurel Lock Rocks Contest. You must sign up on the sheet on the bulletin board at the office to be included in the contest. The winners will be announced in next week's *Chatter*.

Does Your Golf Cart Have Bad Breath?

If your golf cart is emitting bad exhaust fumes you need to have it checked out. This may indicate serious engine problems. Please be considerate of your fellow campers.

Laundry Room Etiquette

Please remove your laundry from the washers and dryers immediately after the cycles finish. Others that wish to use the machines don't want to disturb your clothes. As a reminder, please set an alarm for the end of the cycle when you start the washer or dryer. Washers take approximately a half an hour and dryers take an hour.

Camper Paperwork

There are still a number of camper files in the office that have not been completed. Our office called campers this week to let them know what is needed to complete their files. A number of campers have completed files but have not picked up their gift.

Last Call For 2021 Deposits

Deposits for seasonal camping in 2021 are due on July 31. The office requests an individual check for your non-refundable \$300 deposit as these monies are put into a separate account. Please let the office know if you are not planning to camp in 2021.

Recycling & Trash Notes

We are still in need of someone to take away the deposit bottles and cans from our green cans near the blue recycling dumpster. If you are interested in doing this, please let the office know and plan on removing the items from the green trash cans by Wednesday afternoon. Secondly, please always separate trash from recycling. The blue single-stream recycling dumpster should not have any plastic bags in it. Please dump recyclables directly into these containers.
