Golf Cart Rally Results

Despite limited participation for the golf cart rally a fun time was had by those who played and the gallery. The winners of a Happy Camper bottle of wine and guest passes went to Tom and Amanda Nowak for 1st place, Chris and Kelly Lisee for 2nd place and our workcampers, Doug and Tammy Kern for 3rd place.

Many Thanks to...

... **Chris Keeney** for judging the golf cart rally, **John Nickerson** for timing the event and the kids who help reset the stage as the participants went around the track. Our kid volunteers were **Kaelyn and Jayce, Wyatt and Joanna**. Many more kids volunteered than we had a need for and we thank you too.

Rock Decorating Contest

Amazing works of art adorn the campground from participation in the Laurel Lock Rocks contest. Campers painted rocks at the entrance of their site to enumerate and personalize it. Campsite rocks were judged this past week and the winners are:

1st place goes to **site #4, Dan and Ann Fisher** (painted by Adrienne);

2nd place goes to **site #64, Charles and Amanda Nowak**;

3rd place goes to **site K, Erin and Gary Gray**;

4th place goes to **site #80, Melissa and Chuck Terrio**.

Because there were so many fantastic painted rocks we have several honorable mention awards:

#50 – Kelly and Chris Lisee;

#H1 – Dave and Christine Keeney

#70 – Gail and Rick Fraulo

#55 – Cathy and Barry Fluckiger

Thank you to all the participants who shared their artistic talents to make Laurel Lock more beautiful. We hope all our campers take a tour of the rocks to appreciate the talent that went into these works of art. Winners please come to the office to claim your prizes.

Site Clean Up

Please move leaves raked from your site to a pile near the roadside for pick up. We ask that you separate out sticks and burn them in your fireplace.

Seeking Shelter From The Storm

As stated in our seasonal campsite agreement: During hurricanes, tornados or severe storms, campers are required to leave their RV's and wait out the storm in the adult rec hall or seek shelter off premises. Our rec halls are not currently open due to Covid-19 but we will allow an exception for major storms. We require anyone in the rec halls to wear masks and social distance from others.

Car Parking

Campers are to park their cars in their campsites or in designated parking areas only. Please do not park in sites that appear empty (we may have reservations for those sites) and it is awkward for us to have to ask campers to move their vehicles for a camper to utilize a site. Only park in your neighbors site when they are not at camp if you have express permission to do so. We appreciate your cooperation.

Boat Take Out

Thank you boaters for getting your boats off docks on short notice before storm Isaias. We waited to provide notice in hopes that the storm would not impact us. This is expected to be a very busy hurricane season so please pay close attention to the weather before departing camp if you are leaving your boat on a dock to avoid a last-minute trip to camp.

Laurel Lock Staff Contributes Big Time

Laurel Lock workers worked overtime in hot temperatures this week to get the campground back in shape for the weekend. We appreciate our staff and during times like this we are reminded how lucky we are to have such a great crew. Special thanks to Randy Sargent, Bill Pugrab, Howard Fowler, Peter Hornat and Joe Hornat for their efforts.
