## Rumors

The Fishers in site 4 would like everyone at LLC to know they are not leaving.

## July Electric Bills Are In

Please stop by the office to pick up your electric bill this weekend. The average rate for billing was \$0.2095 per kWh, which was 7.85% less than June's rate due to higher usage. If you haven't paid your June bill, it is now overdue.

## 2024 Campground WiFi

Please let us know if you are interested in getting fiber-optic wifi wired directly to your site for the 2024 season. More information can be obtained by calling Peter William (860-989-2261). The response we have gotten from camper's has been enough to further pursue contract negotiations for the 2024 season. We will continue to provide you with updates as they unfold.

## Campsite Crawl

The campsite crawl is scheduled August 26<sup>th</sup> - only two weekends away. Four groups have signed up to host a stop! We could use one more stop.

The bulletin board has a sign-up sheet for people who wish to ride on our hay wagon for the campsite crawl. There is limited golf cart parking around camp so we encourage people to ride on the hay wagon.

## Trailers For Sale On Site

New to the market - a 2020 35" Wildwood model RKS27 in excellent condition is for sale on site #25. The extras are a newer deck, shed, automatic awning, outside shower, fridge and griddle

The 2018 RV on site #42 sale price has been reduced to \$45,900. This spacious RV transfers with a golf cart, deck, shed, outdoor TV and many other items. Check out our bulletin board for all the details on these RVs.

## We Can't Fix What We Don't Know About

It can be uncomfortable to let us know about issues around camp. No one wants to be known as a complainer. But unless we are aware of a problem we can not address it. So thanks to campers who have recently let us know about issues around camp.

## Poker Run Results

Congratulations to last weekend's poker run winner's Bob Wallick, Mark Swanson, Rachel and Gulia, Mikey Tencza and Amie Powell. Thank you to **all site hosts, the dealers** and thanks to **Bill and Colleen McCarthy and Joan Tirpak** for organizing these multi-date events.

## A Request

Laurel Lock prides itself in being a clean campground. Cigarette smokers - please do your part by disposing of cigarette butts in the butt cans placed around camp.

## Lost and Found

Lots of items on our "lost table" outside the camp store this weekend waiting to be found by their owners. Please take a moment to see if any items belong to your or your family.
