Campsite Crawl?

September 28 – Crock Pot Cookoff has been rescheduled for this date.

Campsite Crawl

The campsite crawl is scheduled for August 24 but we need 1 just more site to sign up for hosting by this weekend. Unfortunately, without 1 more hosting site, this event will be cancelled.

Cable Reset

Breezeline did some work on our system so if your cable TV is not working, please rescan the channels to see if your issues can be resolved.

Electric Bills

Electric bills for July will be in the office next weekend. If you haven't paid your June bill yet it is overdue. Late charges of \$25 will be assessed by the end of the weekend.

Last Weekend's Halloween

Despite the rain that happened promptly at 6:30 when the trick or trunk event was supposed to begin, Halloween Trick or Trunk in Safari Square was a success. Thank you to all who attended and gave away treats and those who decorated. Toy prizes were awarded to children for the best 5 costumes and Happy Camper bottles of wine and gift certificates were awarded for the 4 best golf cart decorations. Consensus after an unscientific survey of campers: The trick or trunk event worked better for most than the campground-wide trick or treating. We will plan to have trick or trunk next year on another hottest day of the year.

Trailer For Sale On Site

The park-model RV on the Sandbox site is for sale. This 33' x 12' log cabin-style RV is in very good condition and has an all-wood interior and exterior and comes with many extras including a deck, hard awning and shed. For more information, check out our bulletin board at the store.

Trash And Recycling Area

We very much appreciate that campers have taken to the new recycling area placing flattened cardboard in the recycling dumpster and all other recyclables in the bins to the right. Please never place recyclables in plastic bags in the bins. What happens is the recycling people will immediately place those bags in with TRASH. (This defeats the purpose of recycling.) Secondly, we would like all campers to know that we are not accepting any items to be passed on to be left at our trash/recycling area. You are welcome to fill out a items for sale slip and place it on the bulletin board but please keep these items at your site until someone asks for them.

Bath House Clean Up

Our workcampers Dave and Nicolette of site #119 are owed a great big apology for the mud and paper mess they were faced with Monday morning in the ladies Safari bathrooms. Apparently, a mud fight ensued Sunday evening. Parents need to accompany their children to the restrooms.

In Store

Our camp store stocks some items you may not be aware of. We have Nantucket Spider® deet-free bug repellent, Unique® RV holding tank Digest It products, firestarters, Reliable 1® black streak RV cleaner, various camping staples like marshmallows, graham crackers, chocolate bars, chips, soda and eggs. Come check it out.
