Winterization Sign Up

If you would like to have the water-system of your RV winterized by LLC, please sign up no later than the close of camp on October 9. Cost is based on a time and materials basis and the average cost of RV winterization is between \$95 and \$135.

Boat Storage Sign Up

If your boat is to remain on campground property at the boat field in the off-season, **you must sign up and pay for boat storage in advance**. A sign up sheet is in the office. All boats **not** winter storing must be removed by October 9. Also, there are trailers in the boat field without LLC stickers on them. Please check to see if your trailer has a LLC sticker and come to office to get a new one if it is not longer on the tongue of the trailer.
