## Dock Take-Out Schedule

Laurel Lock's stationary docks are scheduled for take out on Tuesday, September 15 and the floating docks are scheduled to come out on Monday, September 21. All dock patrons are required to remove their boats, lines and bumpers by Sunday, September 13 and September 20 respectively. All lines and bumpers not removed will be considered abandoned. Boats not winter storing need to be removed from camp property by close of camp on October 12.

## Boat Storage

If you intend to store a boat trailer or any trailer in the boat field at camp this winter, please register and pay at the camp office before October 12. A fee of \$212.70 is due upon sign up. Please make sure you have a Laurel Lock sticker attached to your trailer's tongue.

**Please always pick up your dog's poop.**

## When You Turn In

When you turn into camp from Cottage Road, we ask one thing of you: SLOW DOWN. Slow down your speed, slow down your breathing and slow down from life's hectic pace. You're here, so please just slow down.

## Cut Throughs

Please respect the privacy of your fellow campers by not cutting through or between campsites to make a shortcut for yourself. The short cuts behind sites 78, 79, 79A and 79C are not through fares for pedestrian traffic. Parents of children, please advise your little ones of this request.

## Boat Trailer And Kayak Stickers

A number of boat trailers on camp property do not have LLC stickers on them. Also, there are several kayaks that are not wearing stickers. If yours is one of them, please obtain a sticker from the office today.

## Gratitude Corner

Carol Higgins is thankful for Laurel Lock Campground where there are the most beautiful sunsets. Here we can take respite from the uneasy times in our lives for just a little while.

If you would like to submit your thoughts to the Chatter's Gratitude Corner, please text Katie at 860-213-1158.
