Bonfire Merriment

Last Sunday's bonfire in the ball field had a huge turnout. The fire was as big as they come at Laurel Lock and it provided an easy place to socialize and social distance. Many thanks to Peter William who sang and played his ukulele. He also brought his drums, a slew of drumsticks and 5-gallon buckets for the kids to let off some steam.

Boats Off Docks Schedule

Stationary docks need to be vacated by boaters by September 13, and floating docks need to be vacated by September 20. Please remember to take your lines and bumpers, as any items left behind will be considered abandoned. Winter storage boaters should place their boats close to Cottage Road or along the St. Thomas Moore boundary line.

Winter storage payments are due in our office by October 12. If you don't intend to leave your RV on site, please let us know. If you pull your RV off and leave personal items, you will be charged a storage fee of \$125 + tax for items left on site.

Bands On The Beach

Laurel Lock's bands on the beach were a success this year as the weather cooperated and we were able to enjoy all 5 bands outdoors. Special thanks to Jimmy Pino and Rum Runners who filled in the space for the Michael Cleary band last weekend. The crowd reveled in their music and many dancers got to kick off their shoes and delight in the sand on the beach.

Sign Up Sheets

Sign-up sheets for winter boat storage, winterization of RV water systems, fall and spring site cleaning and monthly paying of seasonal campsites are at the office.
