Fiber Optic Internet Sign Ups

Those campers who have not yet signed up for fiber-optic internet, please include an e-mail address on your form so we may contact you regarding the process of getting your system installed. Existing copper WiFi from Frontier will be discontinued when the fiber-optic system is activated.

Router Update

At the campground-wide meeting regarding fiber-optic internet with Frontier Communications last weekend, the representative needed to confirm if routers were to be given to campers. For the initial install, routers **will be provided.**

Boat Storage At Laurel Lock

New instructions for winter boat storage: **Park your trailer on the eastern tree-line side of the field or inside the cones set up in that area.**

Boat Storage Fee

Those campers who had paid for boat winter storage prior to September 15, have had the tax reversed off their bill and their account will show a credit of \$15.88. Sorry for any inconvenience this may have caused.

New T-Shirts and Sweatshirts

The new Laurel Lock t-shirts and sweatshirts are in our camp store. Check out the new colors. Sizes in t-shirts are from small childrens to adult 2XL. Sizes in sweatshirts are from adult small to 3XL.

Rec Halls Are Open

For campers wanting to get a break from the rain, consider gathering with friends in one of the rec halls. We only ask that you leave the rooms as you found them.

Our Condolences

Our condolences to Amanda Nowak as she grieves her fathers passing on September 22.

A Closing Up Checklist

Including this weekend, we have 3 glorious weekends of camping left this season. For those of you who choose to pack it in early and say goodbye to your camping friends, we have a checklist of items we would like you to consider when preparing your campsite for the winter:

- Detach hookups from water and electric (we will shut down electric this winter) **but do not remove the anti-siphon valve from the water spigot**
- Winterize your RV water system or sign up for winterization
- Disable and cover your golf cart or remove it from the property
- Put away decorations and personal items on your site to prevent damage and allow for spring clean-up, especially if you are hiring LLC to clean up your leaves
- Remove kayaks, canoes and SUPs from racks by the water and store under camper, on deck or take home
- Sign up for site cleaning with the office if you wish to hire LLC to do it for you.
- Tip picnic table on its side with 1 bench to the ground
- Sign up and pay for boat storage if your boat will be here beyond October 9.
