## **Thank You**

A big thank you to all our campers as we go to the finish line of another great camping season of making summer memories. A special thank you to all who participated in events, sponsored an event or hosted a poker run or campsite crawl stop. Our fabulous camper participation makes Laurel Lock a special place that people want to come back to year after year.

## **Missing Volleyball**

Two weeks-ago the campground purchased a brand-new volleyball. It immediately went missing. It was blue, yellow and white. If you have it, please return to the office. No questions asked.

## **Tips From Teresa of Road Tech RV**

Maybe you're someone who thinks a fake fireplace in an RV is ridiculous. Have you thought about the heating potential? It's a great furnace backup, runs on electric and can put out an *enormous* amount of heat – with one simple trick. Set up a small USB fan on the shelf above it to blow the hot air further down into your RV and everyone is nice and toasty.

## **Candy, Soda, Ice Cream Sale**

The remainder of the candy, canned soda and ice cream in the camp store is on sale for .75 cents plus tax.

## **Crushed Ice Still Available**

We've moved the last couple dozen bags of ice into the store's ice cream freezer. Get some while it lasts.

## **RV Winterization, Boat Storage And Site Clean Up**

Sign-up sheets for water system winterization, boat storage and site clean-up are in the office from now until close of camp.
