

LAUREL LOCK CHATTER

May 8-10

Happy Mothers' Day

Volume 3

Upcoming Events

Due to Covid-19 we are unsure how many of our activities on our events calendar will take place this season.

May 16, 9 p.m. – Jimmy Pino on sax

Jimmy has offered his beautiful saxophone music in the safari field. Bring a chair or hang out in your cart to enjoy a music set of pure heaven.

May 16 Souper Bowl Pot Luck

Postponed.

May 23 – Eran Troy Danner

If we are blessed with good weather on the 23rd, we will have music on the beach.

May 24 – Meet and Greet

Another weather dependent event. All our campers are invited to come to a meet and greet with our new seasonals for 2020 outside the rec hall.

Community Gardners

We have several garden plots still available. Inquire at the office. 2019 gardners need to let the office know if you will keep your plot for 2020.

Turn Off Your Water

When leaving camp, please make turning off your water at the spigot part of your departure routine.

Chatter Matters

Don't forget to pick up your copy of the *Chatter* each week as you enter camp. Or, if you don't make it to camp, you can now get the newsletter on our website at laurellock.com.

Guests Are Not Allowed

At this time guests are not allowed on camp property. That means only the people listed on your registration form have access to camp. We are sorry for this inconvenience but we are trying to keep the campground open for the campers of LLC by following state regulations.

Cable TV Channel Lineups

Cable TV channel lineups are not going to be the same for everyone. Different manufacturers' tuners may align channels in different sequences. Name brand TV manufacturer TV tuners are more likely to follow Atlantic Broadband TV channel listings for channels 2 – 93. Attached to this Chatter is a partial channel line up that should work for everyone for the major network channels with spaces for you to fill in the channel numbers once you find your favorite channels. You can use this homemade TV channel listing so you can refer to a line up that works for your TV.

If you have any questions or concerns about your cable TV service please call Laurel Lock's office at 860-859-1424 or Pete Hornat at 860-213-1160. Please do not contact Atlantic Broadband directly. Thank you for your cooperation.

Golf Cart Payments and Paperwork

All seasonal campers who have golf carts are required to pay a \$100 registration fee and provide proof of a minimum of \$100,000 liability insurance on their golf cart to the campground office. Please give us a paper copy of the liability insurance and make sure the following is on the paperwork: your name, dates of coverage, \$100,000 liability insurance and that the policy spells out it covers a golf cart.

Tree Huggers

Laurel Lock management are self-proclaimed tree huggers. That being said, over the past 2 years, dozens of trees have been cut down and thousands of branches have been trimmed due to caterpillar and bug infestation getting to the stately trees that adorn our property. We are asking our campers to be mindful by not bringing in pallets or firewood outside the towns of Montville, Salem or Bozrah. Help us protect these givers of life. Also, remember our rules state: "Do not deface any campground property or cut or drive nails into trees. If actions of a camper lead to the death or disease of vegetation or trees, camper is responsible for removal and replacement."

Trailers For Sale On Site

Do you know someone who is interested in buying a turnkey RV on site at Laurel Lock? The RV on site #29 is for sale This site comes with a deck, awning, shed, golf cart, water view and so much more. Check it out on our bulletin board for more details.

Wi-Fi Connections

Presently we cannot offer the use of the adult rec hall computer as there is no access to our buildings. There is a table and chairs outside the adult rec hall so you can access the wi-fi from your own lap top or device with the user name adult lounge and the password "laurellock." Outside the rec hall area use the user name ASUS with the password "15cottageroad." Campers wanting a wi-fi connection at their campsite can call Frontier at 219-869-7392 and give them the name of camp and your site number. You will receive a separate invoice from Frontier. There will be a limited number of wi-fi access lines available throughout the campground. Another option is to purchase a hotspot device through a device provider that is portable for you take anywhere.
