

LAUREL LOCK CHATTER

May 15-17, 2020

Your Campground Newsletter

Volume 4

Weekend Event

Due to Covid-19 we are unsure how many of our activities on our events calendar will take place this season.

9 – 9:45 a.m. - Easy Yoga at the adult beach. Breathe, stretch, rejuvenate. Bring a towel and/or mat and wear comfortable clothing.

8 p.m. – Jimmy Pino on Saxophone
Jimmy has offered his beautiful saxophone music in the safari field. Bring a chair or hang out in your cart to enjoy a music set of pure heaven. We will light a campfire in field site 2 to provide ambiance.

May 16 Souper Bowl Pot Luck
Postponed.

Upcoming Events

May 23 – Eran Troy Danner

If we are blessed with good weather on the 23rd, we will have music on the beach. If the weather is a little wet but not blowing, we will consider putting up our big tent near the rec hall so people can be outside and listen to the music.

May 24 – Meet and Greet
Postponed

Swimming Areas

According to the Uncas Health District, we are not allowed to permit swimming in our swimming areas at this time. Both swimming areas will be closed until further notice.

Hang Tags

All campers are issued hang tags for use on their car rear-view mirrors. Please make sure your hang tag is displayed at camp and that you stop at the stop sign. If your tag is worn out or showing signs of old age, you may turn it in for number renewing or a new tag.

Curbside Seasonals Check In

Many of our seasonal campers still have outstanding paperwork that needs to be turned into our office. This can be done curbside and you do not need to get out of your car. At the time of check in, our office staff will make sure your payments and files are up to date and all paperwork including rabies certificates and proof of golf cart insurance have been received. For those who have completed paperwork, we have a thank you gift.

Guests Are Not Allowed

At this time guests are not allowed on camp property. That means only the people listed on your registration form have access to camp. We are sorry for this inconvenience but we are trying to keep the campground open for the campers of LLC by following state regulations. We are awaiting more information to come down from the state on reopening.

Docking

Campers who have boats scheduled to be on Laurel Lock stationary docks who are planning to launch and have a slip for Memorial Day weekend should contact the office for a temporary dock slip assignment. Floating docks will be installed by Memorial Day Weekend but all the stationary docks may not. We thank you in advance for any inconvenience this may cause.

Poison Ivy Spraying

Poison ivy is popping out all over. If you see poison ivy in or near your site, please let the office know of its location so we may spray it.

Propane Tank Filling Station

LLC fills propane tanks once a day between 3 and 6 p.m. Please drop your cylinders inside the fencing at the propane filling station drop off area located in the back of the parking lot near the adult rec hall by 3 p.m. Tanks will be filled by 6 p.m. Tanks that are paid in advance will be placed on the opposite side of the drop off area. If you run out of gas for your grill and tanks have not yet been filled, we have a complimentary loaner tank you may use for a day. Please inquire at the office for use of the loaner tank.

Community Gardeners

It's time to get growing again and our community garden is ready for planters. We no longer till the plots, so it's up to each individual to prepare their soil for planting. If you had a garden plot last year and you would like to retain it this year, please let the camp office know. If you haven't had a plot but you would like one, you can sign up in the office. We currently have a few plots available.

Bozrah Pizza

Our friends at Bozrah Pizza on Route 82 are our open Monday – Saturday. Their pizza, grinders and dinners are excellent and they have daily specials. At this time, you need to call your order in (860) 886-4889 for pick up.

This One's A Keeper

The back of this Chatter is a current listing of all of our seasonal campers for 2020.
