The Boat Field Is Closed

Poison Ivy

Do you see poison ivy in and around your campsite? Let the office know of the location so we can target the spraying in the next couple weeks.

Picnic Tables

If your picnic table is in need of repair or has peeling paint, please inform the camp office. We will want to know if you want the same table returned or if another table will do.

Dock Occupancy

All campground docks are in the water but two of the docks are not ready for occupancy. Docks C and J will be ready on Sunday. Please confirm your slip location with the office before tying up. If you are new to Laurel Lock docks or are unsure how to secure your boat to the dock, please call Tom Hornat for assistance prior to tying up. He can be reached at 860-965-1453. Do not attach any hardware to the docks. Remember, fishing is not allowed on campground docks.

Technical Difficulties

Our stone delivery tractor is currently being repaired. Please have some patience in getting your stone deliveries until the tractor is up and running again.

Golf Cart Drivers

Laurel Lock's insurance policy does not allow for anyone without a driver's license to operate a golf cart. That being said, our office was witness last weekend to grandchildren and children at the steering wheel of a golf cart while sitting on adults' laps. This is not allowed. **Don't forgo your ability to have a cart on LLC property by allowing minors to co-drive carts.** Additionally, make sure anyone you allow to drive your cart is aware of campground rules. If you don't yet have your site number displayed on the front and back or left and right side of your cart, please make sure your 4" numbers are in place by next weekend.

Last Weeks' Chatter

The back of last week's *Chatter* lists all our seasonal campers for 2024. If you didn't get a copy, inquire in the office. Remember, *Chatters* are on-line each week at laurellock.com. Correction to last week's site numbers: Workcampers Nicolette and Dave Farrell occupy site #119 and Sherri and Brent Ross occupy site #100.

Ladies Shower -Safari Square

The ladies shower in the Safari Square bath house currently out of order.

Sad News

It is with a heavy heart that we announce Steve Steele of site #5 passed last week after a 10-year battle with cancer. Our condolences go out to Lori and his entire family. We have a card campers can sign in the office this weekend for Lori and family.

Stick To The Roads

Due to an excess of rain in the past few days, please only drive carts and cars on the roads. If you drive on the grass and make ruts, it's up to you to fix them.
