## Social Distancing For Covid

We are very fortunate to be able to open camp this season in light of so many businesses being closed. Please stay vigilant in adhering to our new social norms to allow our campground to remain operating at its best possible level. Wear a mask when you enter a bath house or come within 6 feet of another person outside your immediate family. Wash your hands frequently and use hand sanitizers when you can't wash. Keep hands away from your face. Help keep the Laurel Lock community safe.

## Community Gardeners

We currently have 2 garden plots still available for this planting season.

## Guests Policy

We require all guests entering the property to be in good health. All guests are required to register in the office providing a phone number for each person in the vehicle and to pay an entrance fee. When the office is closed, there will be guest registration forms on the office table for your guests to fill out. Put guest fees in the envelope provided and place in the mail slot of the office door.

## Attention Dock Slip Renters and First Time Dockers

All the docks are in and slip assignments are available at the camp office during office hours. Please contact Tom on his cell phone (860-965-1453 if you are docking in a new slip for the first time. Whips and personal hardware are not to be installed on the floating docks.

## Picnic Tables

If your picnic table is looking worse for wear, please let the office staff know so we may get you a new or refurbished table. If your table has sentimental meaning or an umbrella hole you can't live without, let us know if you would like the same table.

## Office Hours

Sunday	10 am – 5 pm
Monday	10 am – 4 pm

## Bath Houses

The lake, safari, and back of the rec hall bathrooms, and one-quart flush at the adult beach are open. The laundry bathroom is under renovation and the adult rec hall restrooms will remain closed at this time. We ask that you wear a mask when entering and use the hand sanitizer provided outside the door. Not all fixtures will be in service due to social distancing requirements. Facilities will be sanitized by staff on a set schedule. Fixtures may be wet from sanitizing.

## Store Items

Our store is technically closed for the time being, however, we do have a few items you may need on hand that we can sell you. Ice, propane, firewood and landscaping stones will be available throughout the season. Other items we have in stock are fire starters, bug repellent, toilet paper, some paper goods and a small amount of grocery items. If there's something you need, ask.

## Laundry Room

At this time we are required to keep our laundry room closed. There are over 10 laundromats within 10 miles of camp.

## Campsite Readiness

There has been much work done to get RVs and sites ready for a comfortable and relaxing summer season of camping. We appreciate all the effort our campers put in to making their space pretty. Please take a moment and walk around your RV look at it with the fresh eyes of someone seeing your site for the first time. Do you have blue tarps lying about? Are there construction materials or old or unused items sticking out from underneath your trailer? Use your shed to store personal items. Have some stuff you're stowing away and don't use anymore? Take them home or place a for sale ad on our bulletin board.
