LLC Golf Outing Results

Seventeen golfers from Laurel Lock enjoyed a beautiful morning of golf last Saturday morning at Chanticleir Golf Course. Monique Gaudreau won the long drive contest and George Gelinas won closest to the pin on the par 3 island hole. The foursome of Christopher Conklin, Jim Jordan, Cliff Porter and Joe Palmieri won low gross score with -1. Congratulations all!

Swimming Areas

We are awaiting clarification from the Uncas Health District regarding the opening of the beach and swimming areas. We will keep you updated as we become informed. If you are at the beach, please remember to stay 6-feet apart from non-family members.

Social Distancing For Covid

Please stay vigilant in adhering to our new social norms to allow our campground to remain operating at its best possible level. Wear a mask when you enter a bath house, the laundry or come within 6 feet of another person outside your immediate family. Wash your hands frequently and use hand sanitizers when you can't wash. Keep hands away from your face. Help keep the Laurel Lock community safe.

Help Wanted

Want to make some extra cash? Our recycling area collects hundreds of 5¢ deposit cans and bottles each week. Please let the office know if you would like to take these recyclables to make some extra cash for your-self.

Check Out The Back

The back of this *Chatter* includes an updated seasonal camper list for 2020. Please help make all our newest campers feel welcome to our camping community. We hope to have a new camper reception at some time during the season.

June Payments

Final payments for campsite fees are due in June. All accounts should be brought to a zero balance as of July 1.

Free Masks And \$5 Masks

Keith Koval donated some masks that we will happily share with campers while supplies last. Also, Marcia Gardner of site #112 is selling beautiful homemade masks for \$5 and the Laurel Lock office has plain white washable masks for sale for \$5.

Doggie Pot Dispensers

In trying to alleviate some of the dog poo found on the property we have erected 3 dog bag dispensers with garbage cans in the campground. They are located near the G floating dock, on the light pole in the Safari field and near the backstop at the ball field. There is also a can for disposal at the dog walk. **Dog owners: Please pick up after your dog so that all campers do not lose the privilege of walking their dogs around camp.**

Custom Order LLC Shirts

If you would like to order Laurel Lock sweatshirts, short or long sleeve t-shirts, denim shirts, tank tops or hats, we have a sign-up sheet on the office table outside our office building.

Something's Fishy

We are experiencing the annual fish spawn-and-die season and fish are littering our beaches every day. Our workers are doing twice daily beach checks to remove the dead fish from our waterfront. If you come across a dead fish, please don't try to "help" us by disposing of them in the trash. Instead, we would appreciate a call to the office so we can send someone to remove the dead fish.

Laurel Lock Rocks

Many of our sites have painted rocks to designate the site number and some are personalized to reflect the seasonal occupant of the site. We will have another contest this season to select the top 3 painted rocks in camp. Get ready, get set, go! More details later.
