Final Payments Are Due

All accounts should be brought to a zero balance by June 30, 2022. If you are unsure of your balance, please inquire in the office.

Fathers' Day Breakfast

Our workamper, Michael Ponzo is waiting to flex his muscles as a short order cook to make a blueberry pancake breakfast for Dads and their families on Fathers' Day. Come to the rec hall on Sunday, June 19 between 9 and 10:30 for pancakes, bacon, orange juice and coffee. Entrance fee is \$5. Dad eats free with one paid breakfast.

New To Staff

Timmy Westerman has joined our staff as a store/office clerk. Timmy has been camping with us since he was a little boy and has always been helpful.

Frontier Contact Number

If you need to contact Frontier regarding your campsite internet hook up please call the following number:

219-869-7392

According to a Frontier representative, they are able to add more connections in the campground going forward. We would appreciate it if you would not schedule hook ups on Saturday or Sunday.

Breezeline

Yes, we are frustrated with our cable provider too. They are charging us more money for less channels. A cable guide has been requested for our bulk account but so far we have not been able to acquire one. We'll let you know when one is available.

In Case You Missed It

By June 18 all campers must have their appropriate 4" site numbers on their golf carts. If you don't already have numbers, please place numbers front and back or left and right.

Please Welcome

Our New Seasonal Campers

Please welcome Landry Knoth of Milford at site #35 and Kathy and Wayne McDonald of South Hadley, Massachusetts at site #105.

Amendment To

Campsite Agreement

Should you decide to sell your less than 10-year-old RV on site at Laurel Lock, please note we have changed the fee to \$500. Any buyer needs to be preapproved by Laurel Lock management prior to a sale being finalized.

Parents – Please Advise

Parents, please have a chat with your children about rocks at Laurel Lock. Firstly, we don't allow rock throwing. Not in the water or on land. Someone could get hurt. Secondly, leave rocks where they lay. There are rocks on the property placed as boarders, walls and as an erosion control measure. Please leave them be.

Notice

The through-way behind the rec hall to the parking lot between the building and large rocks has been closed off to golf carts as a result of another accident clipping the siding on the rec hall. Please don't try to navigate that passage with a golf cart. It is no longer large enough to fit through.
