Come listen and dance to Jimmy Pino’s band at the gazebo.

June 24 – Poker Run

June 24 – Horseshoes at Indianfield

June 25, 10 a.m. – Golf Outing at Chantclair Golf Course

Final Payments Are Due

All accounts should be brought to a zero balance by June 30, 2023. If you are unsure of your balance, please inquire in the office.

Poison Ivy

Look around and see if you have poison ivy growing in and around your site and let the office know of it’s location. We’re getting a list together to make a run at spraying in the next couple weeks.

Take A Brief Survey

We’ve constructed a brief survey (see attached half sheet) to weigh our customers audio/visual and internet habits. The survey is not scientific but it’s results may impact future cable and internet availability at LLC. You may drop your survey in our fishbowl in the office or hand over to our office staff. We thank you in advance for your input. Next weekend, there will be a drawing for 6 free guest passes to one family who completes the survey.

Laurel – Our Namesake

Take a moment this weekend to appreciate the glorious blooming laurel that abounds on the camp property. Laurel is our state flower and is especially prolific this year.

Issues With St. Thomas More

Two issues brought to the attention of management are St. Thomas More School band camp and flying baseballs. We are pursuing these issues and hope to come to some compromises so we can all live in harmony.

Parents – Please Advise

Parents, please have a chat with your children about rocks at Laurel Lock. Firstly, we don’t allow rock throwing. Not in the water or on land. Someone could get hurt. Secondly, leave rocks where they lay. There are rocks on the property placed as borders, walls and as an erosion control measure. Please leave them be.

Tips From Theresa At Road Tech RV

There are big differences between insurance policies and extended warranties out there. Know what they do and do not cover. One warranty item many RV owners find out about the hard way is that ANY water damage almost always falls under “routine maintenance” and usually isn’t covered. Be sure to check your roof and the sealant around everything – even wall items, regularly. Don’t or can’t do roof work? Call Theresa who is happy to help.

Swimming At Laurel Lock

The swim area buoys are out and both swim areas are ready for swimming. Please remember to always stay inside the swim buoy lines and do not swim after dusk. Glass bottles are not allowed on the beaches or in the water. Children under 12 must be accompanied to the swim area by an adult. Please remember - there is no lifeguard on duty, swim at your own risk. These rules are set up for your safety and are requirements of our insurance policy.

Items For Sale

Do you have camping item(s) you’d like to sell? Our office has post it notes for selling items to our campers. Please leave all items at your site and do not leave items by the dumpsters even if they are free. Take advantage of this free service. Check out the bulletin board for items listed for sale now that you may be interest in.
