Water Temperature 65 °**

## Electric Bills Are In

Please stop in the office to pick up your electric invoice this weekend.

## Take A Brief Survey

Many of our campers have filled out surveys attached to last weekend's Chatter and we do appreciate your input. If you did not fill the survey out yet, (one per camping family please) you still have time. During the first break of the band on Saturday evening we will do the drawing for 6 free guest passes.

## Our First Pot Luck

Over 60 people attended our first pot luck of the season last Saturday night in the rec hall. It was great to see so many of our new campers attend. Thanks to all who took the time to cook up yummy dishes to share and help make the event a huge success.

## Covid Test Kits

A camper has shared extra Covid-19 test kits with our office. If you're at camp and you think you might have Covid symptoms, please request a test kit from the camp office.

## Final Payments Are Due

All accounts should be brought to a zero balance by June 30, 2023. If you are unsure of your balance, please inquire in the office.

## Give Wildlife Space

Fox, racoon, rabbits, snakes as well as other wildlife live among us. Please do not leave food or garbage out or harass them.

## Regular Season

### Camp Store/Office Hours

Monday – Thursday 11 a.m. – 7 p.m.  
Friday & Saturday 10 a.m. – 8 p.m.  
Sunday 10 a.m. – 4 p.m.

## Tick Tornado

With a relatively mild winter behind us, ticks seem to be out in great numbers this season. The camp store has stocked a product called the Tick Tornado whereby you hook the plastic remover under the tick and then twist until the tick releases. The entire tick gets removed with this method. The Tick Tornado comes in a 2 pack for \$6 but you may purchase 1 of the removers for \$3 if you wish.

## Campground Paperwork

Fourteen campsites still have not turned in all their paperwork this season. If you're one of them, please make it a priority to submit your paperwork by June 30. For those of you who have not submitted proof of golf cart insurance, do not drive your golf cart on camp property until we have received a paper copy of your insurance.

## Fireworks at Camp

In advance of the 4<sup>th</sup> of July holiday, please know that Laurel Lock does not allow fireworks to be set off on camp property.

## Dog Walkers

When allowing your dog to be off leash in our ballfield, please pick up any droppings as they occur. We have placed a special dog poo can near the back stop next to the bag dispenser.
