## Swimming Areas

Please practice social distancing at our swim areas. Keep yourself or family 6 feet apart from others. Help keep our camping community safe.

## Gardner Lake Water Temperature 68°

## Laurel Lock Rocks

Laurel Lock is sponsoring a contest of painted campsite rocks. Paint your site number and anything to personalize the site as your own on a rock near the entrance to your site. We'll have a sign-up sheet at the office in mid-July for those who want to enter the contest. On July 31 we will select the top 3 and announce the winners of Laurel Lock Rocks contest in the *Chatter*. If your site doesn't have a rock at the entrance, please inquire in the office so we can get one for you.

## Trailers For Sale On Site

Do you know someone who would be interested in a trailer at Laurel Lock? A 2014 Hampton Crossroads park model is for sale on site 27. The site has a lovely waterview of the campers' beach. The park model includes a new a/c unit, Silvertop hard awning, two TVs a large deck and inside fireplace. Also on the market is a 34' Open Range Journeyer on site 81 that features dual a/c, 3 slides, a 4-season package and a fireplace. There are lots of extras to go with these trailers. Check out our bulletin board for all the details.

## Dog Policies

If your dog can be trusted to stay in the confines of your site, you may leave them off leash. Most dogs are not that obedient. When you are walking about the campground, please follow our agreement rules and keep your pooch on a leash. Other rules that apply are always pick up after your dog (even when no-one is looking), and never bring your dog to the beaches. Also, for the consideration of your neighbors, please keep your dog from being a barking nuisance .

## Well We've Had Some Issues

The past couple weeks we've had some issues with our water system. A couple repaired leaks, a new controller box and well pump and we are back in business. Thanks for your patience.

## STOP

We ask that all cars and carts entering the camp, stop at the stop sign. This does 2 things: It allows traffic to slow at the busiest intersection at the campground and allows us to see who is here. Stop when the office is open and stop when it's closed. Please.

## No Dogs At Beach Areas

Laurel Lock is a dog friendly environment but some people are not comfortable with dogs and no one wants to play or lay down next to dog pee and poo. For those reasons, we like to keep dogs off the beach and away from the beach areas.

## Did You Know?

## June Payments

Final payments for 2020 camping are due in June. All accounts should be brought to a zero balance as of July 1.

## Gratitude Corner

The gratitude corner is to help remind us all that we have so much to be thankful for. Please text Katie at - 860-213-1158 if you would like to share a thought of gratitude with the campground community.

Beth Grady is very grateful for everyone who helped her open her camper and get her started as she transitioned to camp from out of state in these difficult times. She gives a big shout out to Randy Sargent, Rob Tebecio and Katie Hornat for really making it happen as well as Joe and Tom Hornat and Steve Miller and Marcie McCaffrey for always being there for support and encouragement.
