We'll begin taking deposits for the 2024 season on July 1. The seasonal rate for 2024 will be the same as 2023 but there may be additional charges for WiFi to each campsite. Campsites without deposits received in our office by July 30 will be considered open for campers looking for a new site and new 2024 campers.

Grandchildren Pay Guest Fees Too

As stated in our campsite agreement all persons outside of the nuclear family of 2 adults and their children under 18 living at home pay guest fees. Despite rumors to the contrary, grandchildren are not included in seasonal site fees. You may either purchase a season pass for each grandchild or pay as you go. Please read your agreements before signing them. There are changes made to our agreements each season but this policy has been in place for over 20 years.

Crock Pot Cookoff

The Nowak family is planning to host a crock pot cookoff for LLC campers in the rec hall. We've selected Saturday, September 23 for this event. Start planning your recipe, mark your calendar and watch the *Chatter* for more details.

Unwanted Items

Please do not leave unwanted items near the dumpsters. Instead fill out a "items for sale" sheet (available in office) and post it on our board and keep items at your site. Otherwise, dispose of these items at your personal residence.
