Men's Laundry Bathhouse

The men's laundry bathhouse has been renovated and is ready for use. Our workamper, Doug, has given the shower, toilet and urinal area a new fresh look. The ladies' room will be renovated next. We plan to have the ladies' side open in the next couple weeks. Thank you for your patience.

Sewer Care

Please only flush septic safe toilet paper in your camper and our bathhouse toilets. Please dispose of baby wipes, feminine products and other items in trash cans as they can cause our septic system to back up.

Boater's Beware

Boater's, please check to see if there are dogs and kids at the bottom of the boat launch ramp before backing down. Camper's fish and swim their dogs at the boat launch when it is not being used, and they may not notice you backing down the ramp.

Lost & Found

Prescription eye glasses with a brown and black frame were turned into the office. Also, large black frame sunglasses were lost.

2020 Deposits

Deposits for seasonal camping in 2021 are due during the month of July. The office requests an individual check for your non-refundable \$300 deposit as these monies are put into a separate operating account. You will not receive an invoice for the deposit. Please let the office know if you are not planning to camp in 2021.

Wait a Minute

Air conditioners require nearly double their normal operating amperage for the first few seconds of operation. So please refrain from using any additional appliances while starting up your AC.

Please Recycle

The blue Willimantic Waste steel recycling bin next to the green dumpsters is part of a single stream system that accepts all recyclable materials. Plastic bags must be put in the garbage. The green cylindrical plastic cans are for cans and bottles that can be returned for money.

Gratitude Corner

Peter William wishes to thank Monique & Ernie Gaudreau, Ann & Dan Fisher, Beth Grady, Loretta Hotchkiss and all those that are helping take care of Yogi the golden doodle during Katie and Tom's time away. Yogi has a lot of energy and is much more cooperative when he has companionship, walks, & play time with people and other dogs.
