Results for LLC Outing

The foursome of **Dave LeBreche, Chris Conklin, Jack Korduner** and **Joe Palmieri** had quite the round at Chantclair Golf Course last Saturday morning shooting a Laurel Lock record of 7 under par. **Dave** also won the longest drive, closest to the pin and chipped in for an eagle and birdie in route to the incredible round. (Maybe **Dave’s** Saturday mornings of easy yoga are paying off.)
Congratulations guys!

Electric Invoices for June

Electric invoices for the month of June are available in the office this weekend. Please stop by to get your bill. The meters were read on July 5, so the time of usage will be one month's time. The billing rate for June was 7.9% lower than the month of May due to higher camp usage and is billed at 0.0221 per kWh. If you have not paid your May invoice yet, please do so today.

2023

Non-Refundable Deposits

If you have not yet paid your 2023 non-refundable deposit, please pay with a check separate from other payments to the campground. Please let the office know if you do not intend to return to LLC next season. We will be accepting deposits for 2023 through until Sunday, July 31.

Gardner Lake Water Temperature 80°

Our Sincere Condolences

Our sincere condolences go out to Karen Aubee and her family as her husband George passed on July 15. A sympathy card to sign is in the office this weekend.

Coming On Board

We are excited to let you know we have hired a full-time maintenance technician named Able Perry. Able is a graduate of the Marine Corp. Institute. He recently moved to Connecticut from Las Vegas with his daughter. Able will primarily be working during the week, so many of our campers will not come in contact with him, but we hope if you do, you will make him feel welcome.

Please Return Sports Equipment To Office

We are asking parents to please remind your children to return all borrowed equipment to the office.

Did You Get Mugged?

This season's gift for completing your campground paperwork is a Laurel Lock campfire mug. Please inquire in the office if your site hasn't received a mug.

DJ For Adult Halloween Costume Party on 9/10

Patty Tencza of site #27 will be collecting money for a 50/50 raffle to cover the cost of a DJ for our costume party on September 10. The DJ cost is \$425 so we are hoping to raise \$850. Tickets are \$1. She will be selling tickets at cornhole and horseshoes. Give generously and good luck. (The folks who won the last raffle spent the most money on tickets.)
