**Gardner Lake
Water Temperature 79°**

New Shirts Are In

New t-shirts and sweatshirts are in the camp store this weekend.

Thank You Point People

Many thanks to the folks at the Point (and that includes Jimmy the Greek) for hosting Matt Vizzio, last Friday night at the point. The music was fantastic and the weather held out for the all to enjoy that beautiful space.

Raffle

The 50/50 raffle held last Friday at the point generated \$141. The winner was Jeff Haggerty of P1 and he generously donated the winnings back to benefit The Shriners. Laurel Lock matched the money collected and has sent off a check to Shriners for \$282. Thanks to all who donated.

Golf Cart Rally

It's that time again. Please sign up for the golf cart rally if you intend to participate. Please **do not** sign up unless you are relatively sure you will be participating. Much forethought and planning goes into this event so we need at least a dozen couples to participate to make it worthwhile. A sign-up sheet is on the bulletin board this weekend.

Recreation Equipment

The campground is happy to lend out sports equipment to campers, however, it needs to be signed out and returned. Parents, please remind your children of this.

Trash Talk

Please refrain from burning all trash in your fireplace – especially any form of plastic. Your neighbors will be thankful.

Ear Wash

When the temperature of the lake rises, the chance of coming down with swimmers' ear rises also. To help prevent swimmers' ear, mix 1-part white vinegar with 1-part rubbing alcohol and place several drops in each ear after swimming.

2023 Rates

We understand the rate increase for the 2023 is of concern. To help quantify this issue we anticipate the increase to be between 6 – 8 %. Campers who make monthly payments will be asked to pay \$500 for the months of November through May, and then cover the balance with their June payment.

Fencing Project

In order to give a little reprieve from the hustle and bustle around the entrance of the campground, we are in the process of installing a new fence between the store and sites 79A and 79C. Please be mindful this weekend of this construction area and do not cross over the area while it is in process.

Laundry Room Woes

A camper enters to laundry room to do weekly wash and finds what appears to be dog hair everywhere – in the machine, on top of the machines, on the floor and in the lint traps. Not a nice way to start the day. Please do not wash rugs or dog blankets in the camp laundry. Please clean up after making messy mess in the laundry. Isn't that what your mother taught you?
