**Gardner Lake
Water Temperature 76°**

New Shirts Are In

New t-shirts and sweatshirts in some new colors are in the camp store. Come check out our supply.

Frontier Invoices

If you have internet services at the campground through Frontier and have not received a bill at your home address, there is a good chance your bill is awaiting your pick up in the adult rec hall. Please take a moment to check and see if you have a bill if you have not received one.

Halloween Masquerade Party

The money has been raised by **Pattie Tencza** (thank you Pattie) after selling hundreds of 50/50 raffle tickets to pay for a DJ for the adult masquerade party on Saturday, September 10. The bit of extra cash raised over the DJ fee will go toward snacks for the event. Start planning your costume. We'll have prizes for the top 3 costumes.

Fencing Project

The fence giving a visual and safety barrier to sites 79A and 79C from the store/office area is not quite completed. Please refrain from accessing the area. When the fence is done, it is only to be used by the occupants and guests of sites 79A and 79C. Please respect these campers' privacy and do not allow your children to cut through to the safari area by way of the gate.

Just For Fun

Our records indicate that our seasonal campers have a total of 54 children registered and 83 dogs.

860-859-1424

Golf Cart Rally

Last weekend we requested 12 sign-ups teams for golf cart rally by end of day on Sunday. At end of Sunday, we had 5. Since then, we've had an additional 5 teams sign up. (Still short of the 12 teams we were hoping for.) Here's the thing, this event takes forethought and planning and we want each and every event we sponsor at camp to be successful. We will consider a later date for a golf cart rally in the fall, if we have enough people sign up. The available dates are September 17 or October 1. Please take the time to either sign up or call the office to have them sign you up on the list for the date your available to participate.

Kids Muscle Contest

There are hundreds of unoccupied (not live) muscle shells in our swimming areas and on the beaches and shoreline at camp. This weekend we are having a contest to see who can collect the most muscle shells from inside the campground. (Kids, this will be the only weekend you are allowed to swim in the adult swimming area but you must don a mask and snorkel and be actively looking for shells.) Bring your collection of shells to the camp store for counting. Camp store prizes for the top 3 collectors. The shell count is for individuals, please don't combine your collection with other campers.

Sign Up For Monthly Payments For 2022

Laurel Lock offers a monthly payment plan beginning in November for campers who find it easier to budget their campsite payments. This year all payments will be \$500 per month. We expect winter storage and campsite accounts to be brought to a 0 balance before payments can be accepted. If you're interested in the monthly payments, please inquire in the camp office or call or text Katie at 860-213-1158.
