## Electric Bills

Electric bills for July are in the camp office this weekend. Any invoice not handed out this weekend will be mailed to campers on Monday. Last month's charge per kWh was \$0.2221. Campers wanting detailed information on their bill may inquire in the office. We are happy to share that information with you.

## Fire Danger

Although we had a bit of rain this week, the danger for forest fires is still high. Please take care when having a campfire: Always stay present when a fire is burning in your site and extinguish all flames and coals before turning in for the night.

## Water Usage

New London County is under extreme drought conditions. Please be mindful of your water consumption while at camp. While we have been very lucky to never have run out of water in dry conditions, we want to make sure our water supply stays sufficiently adequate for the remainder of the camping season.

## Just A Reminder

The fence between the office/store and sites 79A and 79C is completed. Please remind your children the gate is only to be used by occupants and guests of 79A and 79C.

## Campsite Crawl

Next weekend is our annual campsite crawl. If you're not familiar with our crawl, this event is a series of short parties that move around the campground. We will have a hay wagon for those who prefer to go from site to site on this mode of transportation. Sign up on the bulletin board if you wish to ride on the wagon. Or you may follow behind the wagon on your golf cart. **Very important - make sure the roadway is open to vehicles as well as the tractor and hay wagon when parking your cart.** This year's theme is Broadway or movie musicals. The hosts provide a small libation to guests and a snack (if they wish). We ask that campers invite a maximum of 2 guests per site as this event is primarily for our campers. Laurel Lock will reimburse hosts for a portion of their snacks after the event. Please remember to thank our hosts as they tend to put a considerable amount of time, talent and resources into hosting these parties.

## New Store/Office Hours

### **Beginning August 22**

Monday – Thursday	12 pm to 2 pm
Friday	12 pm to 7 pm
Saturday	10 am to 7 pm
