Grateful

We are fortunate to have such a caring community around us. It was more evident than ever last week when Katie and Tom Hornat's sweet golden-doodle Yogi passed. Thank you all for the outpouring of care and concern for our family as we grieve our fur baby.

New Agreement for Transferring RV On Site

Any camper seeking to transfer their RV on site needs to go through the proper channels. The camp office first needs to approve an RV to be sold on site, then the campers selling the RV need to sign paperwork for transferring the RV and pay the fee. Campers not following these guidelines, may be disqualified from selling on site.

Dogs, Docks and Fishermen
Fishing is not allowed off any dock and no one should be on a dock unless they are accessing their boat. We once again are having campers, their guests and dogs accessing docks that they do not belong on.
