Our Staff

They scrub, sweep, and sanitize our restrooms. They rake beaches, blow leaves, mow grass and whack weeds. They scrape, clean and paint picnic tables and clean out fire pits. They walk the docks, sweep the decks and pick up dead fish. They arrange, plant, water and prune the flowers. They greet our campers with a smile and answer the same questions – again and again. They pump propane, and wipe spider webs from everywhere. They empty trash cans, the dog walk cans and open, close and clean around dumpsters and so much more. Our staff finds things to do that make the campground a better place for all of us. They work hard, diligently and with great attitudes and we appreciate that. We are thankful to have such a great team of people working with us to maintain our campground. We could not maintain this property without the help of our employees. If you get the chance, please let them know you appreciate them too. They are Michael and Paula Ponzio, Jillian and Patrick Cooke. Howard Fowler, Timmy Westerman, Bill Pugar, Randy Sargent, Zack Poore and Joe, Pete and Peter William Hornat. Most recently Able and Alyssa Perry (dad and daughter) have joined our team as well.

Revised

Dock Take-Out Schedule

The dock take-out schedule has been pushed back for a variety of reasons. Laurel Lock's stationary docks are scheduled for take out the **week of September 18** and the floating docks are scheduled to come out the **week of September 25**. All dock patrons are required to remove their boats, lines and bumpers by Sunday, September 18 and September 25 respectively. All lines and bumpers not removed will be considered abandoned. Boats not winter storing at camp need to be removed from the property by closed of camp on October 10.

Boat Storage

If you intend to store a boat trailer or any trailer in the boat field at camp this winter, please register and pay in the camp office before October 10. A fee of \$200 is due upon sign up. Please make sure you have a Laurel Lock number sticker attached to your trailer's tongue. **New this year:** Boats stored after 10/10/22 but not registered in the office and paid for prior to the close of camp will be charged an additional fee of \$50. Please note: Outside vendors who come onto camp property to service or shrink wrap boats must provide the office with a liability certificate with Laurel Lock Campground named on the paperwork.
