Thank You Pattie

Pattie Tencza sold hundreds of 50/50 raffle tickets to pay for a DJ, hired the DJ for our masquerade party last weekend, bought food for the event and helped coordinate all the details. We surely appreciate all the efforts Pattie and all our campers do to enhance the camping experience at Laurel Lock. Thanks again Pattie.

Tips From Teresa of Road Tech RV

Some antifreeze products for RVs contain alcohol which has been known to dry out rubber fittings in camper toilets. These products are usually the less expensive antifreeze products on the market. (Laurel Lock uses the pink food-grade antifreeze that does not contain alcohol.) Make sure you purchase the pink, non-alcohol antifreeze when preparing for your water system winterization or check with whomever you hire to make sure they are using the good stuff.

Masquerade Party

Seemingly everyone who attended the masquerade party last Saturday night had a great time. Costumes were so fantastic it was difficult to pick the top 3. People who received prizes were **Patty Malinguaggio, Eric Kilbourn and Joanie Tirpak**. Many witches and pirates attended. So many pirates that next years events calendar may need to include a pirate weekend.

Boat Storage At Laurel Lock

If you are storing your boat at LLC for the winter season, please be sure to park your trailer on the east side of the field (the side closest to Cottage Road). Stored boats need to be prepaid and registered in the office by October 10.
