Slow Ride, Take It Easy

**Speed
Limit
10**

The speed limit is 10 mph everywhere in camp. Also, all vehicles (golf carts included) are required to stop at the stop sign at the camp store every time. We have lots of little kids around that are often unaware of traffic.

Photo Challenge

We are working on a slide show about camp life at Laurel Lock that will be featured at our 55th anniversary event in August. Please gather photos of the experiences you, your friends and family have enjoyed here at camp. We all love the sunsets and scenery, but we want pics with people in them. We are especially interested to get old photos from our campers who have been with us for 20 years or more. Please email photos to: laurellock2@gmail.com. If you are unable to email, please bring your photos to the office to be scanned.

Looking to Change Sites?

Please let the office know if you are seeking to switch sites, and the sites or areas you are interested in (lakefront or lakeview, safari square, oak circle, etc.) We also recommend reminding the office if you expressed interest in changing sites in a previous season.
